Prayer for Firefighters

Eternal God, Protector of all; be present we pray with our firefighters who,
day in and day out, face many threats in the service of their communities.

Grant them faithfulness in service, diligence in action and courage in the face
of danger. Help them to meet the needs of the people they serve with
confidence and compassion.

Please deliver them safely home; should tragedy befall our firefighters, cover
them in your eternal care and watch over their families and those of us they
leave behind.
